

New Courts Coming Soon!

BREAKING NEWS ALERT

Dear ARFC Tennis and Pickleball Community,

We are excited to announce the resurfacing of the four lower courts. Courts 5-8 will be down from Thursday, May 13 to Thursday, May 20. There will be four pickleball courts painted on court 8, making that court a combo of tennis and pickleball. This resurfacing is great news! There will be a slight issue with court availability during this brief time, but we ask that you all work together and we thank you for your patience.
